DESCRIPTION

Built by Hogg Homes in the mid 1990's this stunning 5 bedroom family house has been significantly extended and comprehensively upgraded by the current owners who have injected an enormous amount of style. The property now features an exceptional kitchen family room with underfloor heating, bi-fold doors and an impressive cathedral ceiling with roof lights and lantern. Very much the heart of this stunning home, it enjoys delightful views of the private gardens and provides the best of inside/outside living. There is a very generous sitting room with feature fireplace and log burner and a further reception room currently used as a playroom but could be used as a dining room or snug. For those working from home there is a well-equipped study and a most impressive detached garden room installed by Oeco in 2022 which is currently used as a cinema room and office. There are 5 bedrooms, the principal with feature vaulted ceiling, fitted wardrobes and en suite shower room. The property stands on a private and generous plot with a block paved driveway and double garage. The pretty gardens surround the house and offer an enormous amount of privacy. One of just 7 individually designed houses in this quiet cul de sac which offers delightful riverside walks and is also within easy walking distance of the many amenities of Haxby. Ideal for families, Haxby has 3 primary schools, Ralph Butterfield is just a 5 minute walk and is rated Outstanding by Ofsted. It is also close to good secondary schools. York is just 4.5 miles away and access to the ring road and wider network is also close by. Plans are in place for a new train station which is in receipt of government funding and would improve transport links still further.
